I have it here. Do you want the whole jacket or can someone swing by and get what is needed? I am out of office most of tomorrow but will leave jacket on computer (cubicle 3616 in SQU). Will send out Thursday if that is preference.

Shayne,

Our records indicate that you have the file Donna is requesting below. I checked it out to you after receiving it from the Records Center on 10/12/2010. Can you provide her with the information she is requesting?

Thanks!
